## **NOVEMBER 8 ELECTION RESULTS**

Tom Sanderson, running unopposed, was elected Mayor with 93% of the votes. Filling the two open council seats are Linda Kristich with 34% and incumbent Steve Mitchell with 30% of the votes. Chester Krupa received 17% and Shari Tarvin 16% of the votes.

Measure 15-157 which if approved, would prohibit recreational marijuana producers, processors, wholesalers and retailers within the City. The final count was 773 votes for and 767 against. Thus the foregoing is prohibited in Shady Cove.

The measure to permit a tax on the sales of recreational marijuana passed by a wide margin. However, with the prohibition noted above, the measure becomes moot.

## **UPDATE ON STORMWATER CONTROL CONSTRUCTION**

The project running from the midpoint of Kinworthy Lane, down to and across private property to Cleveland Street is nearly complete. This includes catch basins, ducts and ditches with connection to the Cleveland Street drain.

Concurrently the project commencing west of the school, around the north of the school and crossing Cleveland Street is also nearly complete. This entails a fenced detention pond, improved ditches and storm water ducts.

Both projects were initiated in our continuing effort to control storm water runoff from the hills in the northwest sector of the city. The projects are consistent with the City's Storm Water Master Plan initiated in 1998.

## **CITY COUNCIL MEETING—NOVEMBER 3, 2016**

Business commenced with unanimous approval of a resolution authorizing the City Administrator to investigate real property transactions.

An ordinance amending the City's Comprehensive Plan had a first reading. This is an update to the Comprehensive Plan adopted in 2004 and is a blueprint reflecting all considerations regarding city growth and development. The Planning Commission has been working on this update for over 2 years.

Following the first reading, a discussion took place concerning the idea of permitting small, second

dwellings, in the areas zoned residential. The idea was put forth to increase the availability of additional housing, rental or otherwise. The proposal was countered with an expressed concern for water. With over 900 wells in the City, increased density could well harm some existing water sources. Once Hiland Water has provided service to the entire city, the water concern should no longer exist.

Following the discussion, the Council determined that the subject was not timely for the document at hand, and would bring the discussion up again at a later time.

## CITY COUNCIL MEETING—NOVEMBER 17, 2016

The only item on this agenda was the second reading of, and a vote on, the ordinance amending the City's Comprehensive Plan. The ordinance was passed unanimously by the Council members present.

# KSHD 94.3 FM

Who would have guessed that time has slipped away so fast? Thanksgiving is upon us and Christmas is just around the corner. Stay in the holiday spirit while listening to Shady Cove's own KSHD 94.3 FM radio station.

We have a great line up for holiday music and programming in store including Dylan Thomas reading his classic poem, "A Child's Christmas in Wales" on Christmas Eve. You must also listen to learn where and when all the upcoming activities in Shady Cove and the surrounding area are taking place i.e: the ninth annual Children's Christmas Party on December 10th at the Shady Cove School gym. It's free to all and Santa will be there!

Remember that K-Shady Radio is a great place to advertise your special holiday event. For church, community, and non-profit events a PSA (Public Service Announcement) is free.

If you own or run a local business, it's also a great time of year to consider KSHD 94.3 FM Radio for your advertising budget.

All of us at K-Shady Radio and City Hall want to wish you all happy holidays and a joyous Christmas, and thank you for tuning into KSHD 94.3 FM.
