PUBLIC SAFETY PERSONNEL

Community Service Officer (CSO) Barry Moore retired effective October 1st, following over 5 years of service to the folks of Shady Cove. The Council and Staff wished Mr. Moore a happy, healthy and prosperous retirement and expressed great appreciation for his service to Shady Cove during a retirement luncheon on September 28th.

Mr. Moore is replaced by Deputy Jeff McGrath who requested to serve in Shady Cove. Many of you may remember that Deputy McGrath previously served in Shady Cove for two years. Deputy McGrath is armed and performs all duties assigned to Jackson County Sheriff's Office (JCSO) Deputies. In addition, he performs all CSO responsibilities and will be the School Resource Officer as needed.

Following a year of service to Shady Cove, Deputy Steven Scow accepted a JCSO assignment to train new Deputies effective October 5th. During the October 1st Council Meeting Deputy Scow stated that he will remain a back up to Deputies assigned to Shady Cove, and once the training assignment is complete, he will volunteer to return to Shady Cove. The entire Council expressed appreciation for his service to the City.

Deputy Chad Prins replaced Deputy Scow to serve Shady Cove on the evening/night shift. Deputy Andrew McKay joined the team to service Shady Cove in October.

Deputy Jeff McGrath

Deputy Andrew McKay

Jackson County Sheriff's Office

City of Shady Cove

Contractual Law Enforcement Services

EC SO (Non-Emergency Dispatch): 541-776-7206

Shady Cove Office (Non-Emergency): 541-878-3200

Conducts criminal investigations; responds to subpoena's; make arrests as necessary; interview victims, complaints, and witnesses; interrogate suspects; gather and preserve evidence; testify and present evidence in court.
3. Provide information and assistance to the general public; answer citizen inquires and respond to complaints and requests for services from other JCSO staff, the general public, other law enforcement agencies, and other agencies; provide information to violators, the general public, businesses, school communities, and other government agencies regarding local, state and federal codes, laws, and regulations.
4. Perform traffic enforcement on state and county roadways and respond to traffic collisions.
5. Perform a variety of duties to enforce City Municipal Ordinances; pro-actively patrol City for violations of Ordinances and Regulations; issue warnings or citations as applicable; have vehicles towed as required; advise the general public on local, state and federal codes, laws and regulations.
6. Conduct searches of buildings and outdoor area's and conduct visual and audio surveillance.

Community Service Officer

1. Respond to non-hazardous, non-emergency, and/or cold calls for service. Respond to emergency calls including traffic collisions; respond to hazard calls including spills and items in roadway; interview complainants; prepare necessary criminal and non-criminal law enforcement reports including traffic, petty theft, stolen/recovered vehicles, fraud, lost/stolen property, vandalism/graffiti and burglary reports.
2. Identify, document, preserve and collect evidence at crime scenes, including general crimes investigated within the scope of the CSO's investigation, as well as at major crime scenes in support of other JCSO personnel in the City.
3. Perform a variety of duties to enforce City Municipal Ordinances; pro-actively patrol the City for violations of Ordinances and Regulations; issue warnings or citations as applicable; have vehicles towed as required; advise the general public on local, state and federal codes, laws, and regulations.

CITY COUNCIL MEETING: OCTOBER 1, 2015

ODOT's Area Manager for the Rogue Valley, Arthur Anderson, sent a letter to Mayor Anderson (no relation), wherein he identified that the scope of the Highway 62 Traffic Enhancement Project has been reduced. That subject was added to the agenda along with the absence of any provision for "safely" crossing the Highway and the inconsistent speed limit through the business area along the highway.

Considerable discussion took place concerning the foregoing. The Council was unanimous in their disappointment with ODOT for making changes without input from City officials as the City is a member of the project team.

Discussion was concluded with the determination that the Mayor and City Administrator meet with Art Anderson and his team and try to iron out all disagreements/discrepancies/concerns. Following that meeting and informing the Council of its outcome, ODOT will be invited to provide a current status of the project at one of the January 2016 Council meetings.

The Council also approved a Resolution authorizing the Mayor and City Attorney to approve an agreement with Jackson County Sheriff's Office for the provision of law enforcement services for the current fiscal year. Contract value is \$426,836.00.

CITY COUNCIL MEETING: OCTOBER 15, 2015

The Council reviewed the financial statement for the first quarter of the current fiscal year. Generally speaking all accounts are on track with the budget. With one exception, Revenue slightly exceeds budget and Expense is under running budget.

The one exception is System Development Charge (SDC) Revenue. As noted in previous publications, the charges are markedly reduced from those in the recent past. Though the first quarter SDC Revenue exceeds the year end budget. Basically, it appears that Shady Cove is beginning to turn the corner and experience moderate building growth. If sustained, the increased Revenue may well allow for our scheduled street improvements to be accomplished in a reduced time frame. Too, additional park improvements can become a reality.

The only Agenda item was a discussion concerning Marijuana Odor and the potential to consider it a Nuisance. The Council reviewed considerable documentation including an attempt by the City of Pendleton to classify Marijuana Odor a Nuisance. That attempt was not successful. During a presentation on the subject at the Annual League of Oregon Cities Conference in September, it was pointed out by Legal Counsel that any such attempt would likely fail at this time. As such the Council agreed to continue to log relative complaints and begrudgingly wait for some direction from the State that may assist in avoiding needless and potentially futile legal expense.

As noted previously, all pressing matters have been successfully handled this year, with little or nothing on the immediate horizon. For that reason as well as the absence of two Council Members on November 19th, one Council Member absent on December 17th, and the holiday season historically being a very slow period, the Council voted to cancel both meetings. A proviso being that if any matter require Council attention arose in the meantime, one or both of those meetings will be held.

City Council Meetings scheduled for November 5th and December 3rd will be held.

7:00 AM—3:30 PM

THERE WILL BE NO LEAF DROP OFF ON NOVEMBER 11TH & NOVEMBER 25TH

KSHD RADIO:

KSHD 94.3 FM

It's been a great summer for both me and KSHD Shady Cove Radio. Thank to our friend Jason Houk at KSKQ in Ashland we were able to continue creating our locally produced shows and getting them uploaded to our server for broadcast.

As many of our listeners know, I spent my summer hiking The Appalachian Trail from Vermont to West Virginia (about 800 miles). You can read about my hike every week in the Upper Rogue Independent or, beginning next month, hear all about it on my new series called "Notes From the Trail". Tune in to the station for information regarding the new time slot for the show.

In our effort to improve the quality of our signal, and to reach as many people as possible, we have finally begun to stream on the internet. Soon you will be able to link to the station's live broadcast via the internet and the City of Shady Cove's own website www.shadycove.net

Again, we thank all of our community supporters and business underwriters for helping us to continue our improvements and growth. Without your support much of what we have accomplished could not have happened.

In the next few weeks we plan to upgrade our Emergency Response System to help make Shady Cove and our neighbors safer and to keep us more in touch with fire and safety throughout the county.
